## Open Mobile

### Photo Studio / Curve

Snaparazzi's Open Mobile Photo Studio and Curve experiences provide the most customized packages with the highest quality photos possible. These are ideal choices for weddings, birthday parties, school functions and corporate events and our most popular.

Select our Open Mobile Photo Studio for large group shots or if you wish to utilize both portrait and landscape photography during the event. For a modern touch in a compact space, the Curve is the ideal experience for your intimate group shots.

Both Open Mobile Photo Studio and Curve experiences feature:

- Custom photo layouts
- Unlimited photo sessions
- Professional photographer and lighting
- Backdrop of your choice (Custom backdrops and green screens are available for an additional charge. Allow up to 8 weeks for all custom backdrop orders.)
- 4x6 printed photo for each person in every photo
- On-site attendant
- Props (custom prop add-ons available)
- Set up & breakdown
- Link to all event photos provided to host
- Social sharing add-on available
- Animated or immersive GIF and/or boomerangs add-on available

## Vintage Photo Booth

The Vintage Photo Booth is a classic treasure with a modern twist. It fits two comfortably – and 10 or more with a little squeeze! The more the merrier, the tighter the funnier!

In this classic tradition, you simply sit in the booth, watch the screen count down, pose for three or four pictures, collect your strip and freeze the fun forever! It's super easy for everyone to enjoy over and over again.

The Vintage Photo Booth experience includes:

- Vintage enclosed photo booth with curtains
- 2 prints per session (one for each person in the photo upon request)
- Unlimited photo sessions
- Custom photo layout (backdrop doesn't change)
- On-site attendant
- Props (custom prop add-ons available)
- Link to all event photos provided to host
- Social sharing add-on available

## Social Selfie Machine

Strike a pose with custom event graphics! The Social Selfie Machine experience lands you in front of a digital kiosk photo booth where you can pose for a still, GIF or boomerang photo using digital props, green screens or filters you choose. A custom photo layout is created exclusively for your event and frames your guests in the colors, style and theme!

The Social Selfie Machine is great for any type of party, event, business event, trade show or marketing event. Kiosks can also be wrapped with your brand and theme.

The Social Selfie Machine includes:

- Self-serve kiosk
- Custom-themed photo frame
- No attendant needed
- Digital props
- Still, GIF or boomerang file options
- Text or email photo delivery
- Link to all event photos provided to host

## 360 Video Spinner

Looking for an interactive experience? Snaparazzi's 360 photo booth puts you in the center of it all. Stand on a platform while a mounted video camera spins around you in 360 degree slow-motion. Add video effects, filters and music for added enjoyment.

Whether for a wedding, party or a corporate event, the 360 photo booth is perfect for your next adult gathering.

The 360 Photo Booth includes:

- Instant Text or Email MP4 video Delivery
- On-site attendant
- Branded, customized layout
- Link to all videos provided to host

## Golf Photography
